From The Vicar And Vicaress

As the winter chill settles upon us, and our days as Vicar and Vicaress come to a close, we look back on the last three months with warmth and gratitude in our hearts. Good gentles of Caerthe, you have shown us great patience, kindness, and support – Thank you many times over.

The new Arts & Sciences Minister, THL Guillaume, stepped up at Toys for Tots and greeted his new responsibilities with a smile on his face. Let us all support the efforts of this noble position. To the outgoing officer, Mistress Taryn, commendations for a job well done. Thanks to all the hard work Lord Wilham put into a new loaner armor proposal we were presented with the opportunity to assess the needs of the marshal arts communities. Thank you to all those who made generous donations and are working hard to assure that the new gear will be well cared for. Caerthe rallied together, and we can be proud of the passion and cooperation exhibited in the name of this great Barony!

We were touched by the overwhelming turnout at Caerthen Yule. With great sadness, we report that our friend Sean O'Brien and his family experienced the tragic loss of his younger brother that eve. Our gentle thoughts are with them and we know yours are too. The holiday season is a time to appreciate family and friends, and we were poignantly reminded just how blessed we all are to be able to share the really important gifts of life - smiles and laughter, good food made by caring hands and hearts, and the warmth of friendship and good will.

We are sad to be saying goodbye, but with the announcement of the next Baron and Baroness we extend congratulations to Sir Kronos and Lady Catherine, and look with expectation to the Investiture at Twelfth Night.

Please enjoy peace in the New Year,

Vladimir Vicar Adelaide Vicaress

From The Seneschal

Unto the Populace of Caerthe, greetings,

It is with great sadness that I must report that the Barony has lost a member of our SCA family in a tragic accident. While attending the Caerthen Baronial Yule celebration Brendon O'Brien, the younger brother of Sean O'Brien, was struck and killed by an automobile. A memorial service was held on January 27th and was well attended by members of the SCA as well as other friends and family. In addition, notes of sympathy and support continue to arrive from throughout the Known World. According to an article in the January 31st edition of the Denver Post the driver of the automobile has been charged with vehicular homicide and driving under the influence. Please join us in keeping Brendon and his family in our thoughts and in our hearts.

We have once again secured Virginia Village Library for the first Monday of each month through July 5th from 7:00 PM until 8:45 PM to hold our monthly Business Meeting.

I have begun updating our Baronial Policy Handbook (Duct Tape) and will be publishing it soon. In addition, the Autocrating section of that Handbook will be broken out into a separate handbook. If there are any changes or additions you would like to see in either publication please contact me.

Just a brief reminder to all officers, don't forget to start turning in your Domesday reports ASAP.

Finally, it is with sadness I bid a fond farewell to our outgoing Vicar and Vicaress, it has been an honor and a pleasure to work with them both. It is, however, with great anticipation I greet our new Baron and Baroness, Kronos and Katherine. We have worked closely, though more informally, in the past and I look forward to doing so again!

In Service,

Robert Marchet

From The Aspen Pursuivant

Unto the gentle populace of Caerthe, Hawks Hollow, and Scola Metallorum, Greetings.

After taking a long unexpected break from the Office of Aspen, I am pleased to report that as of the first of December I have returned to once again take on the duties of being Aspen. My heartfelt thanks to Bantiarna (Lady) Mor for doing such a wonderful job filling in for me. I also want to thank TRM Hoegaarden and Chiara, my fellow officers and the populace at large for your understanding, well-wishes, your kindness, and your patience while I dealt with things.

Wow! A year has passed since taking this office. This year had many heraldic successes and a few problems. One of the most memorable successes was the Kingdom Herald and Scribes event which was held last March. Over 200 people joined us to learn more about these arts. From what I have been told our Barony as well as our heralds and scribes have set a new bar for future Herald and Scribes events. Join me in thanking those heralds and scribes who have worked so hard to make sure that things like Herald and Scribes are a resounding success.

A new year is upon us and with it WAR!!! Calling all Herald... lend your voice and your knowledge to the war effort. Help Caerthe once again show itself proud in its volunteer work. VOLUNTEER! An hour or two at herald point consulting with other heralds from all over or crying the town is an hour or two well spent.

The new year also brings changes to office of Aspen. As those changes happen, you will be informed. Look for those changes in upcoming Fortress issues and on the various lists. I will also be temporarily listing the same changes at www.geocities.com/walflower2001/aspen.html

If you are interested in heraldry or if you have questions please feel free to contact me at 303-601-3229 or aspen@sca-caerthe.org. Any submissions questions please contact Bantiarna (Lady) Msr at aspen@sca-caerthe.org as well.

In Service,

Herrin Katrein Adler, Aspen Pursuivant

From the Minister of Arts and Sciences

Unto the artful and crafty populace of Caerthe does THL Guillaume de Gonzac send greetings.

I am the new A & S Minister as of Toys for Tots (as of last November 30). I have already communicated directly with a number of people in the barony, but if I missed you, please don't hesitate to contact me.

I have already tried to contact the leader of every Arts or Sciences group / Guild in the barony. If you got my email and haven't responded yet, please do, even if just to say you are not the correct contact person. If I missed you, please contact me - I may not have accurate information, or I may not realize that your activity is out there.

The Vicar and Vicaress have charged me with two tasks. The first is to gather largess from the Arts and Sciences community in the Barony for presentation at 12th Night. If you have something to contribute, please bring it to 12th Night on January 3.

The second task is to gather budget requests from the Arts & Sciences guilds in the Barony. I will gather and convey this information to the Vicar and Vicaress. They, in turn, will present one complete package to the incoming Baron and Baroness. I have already contacted all of the active Arts and Sciences groups or guilds that I know of about this project. If I missed you (see above), please contact me immediately if you have a budget request to include for 2004.

I have many ideas for additional activities and projects for the coming months.

I will let you know more once I have had a chance to confer with the new Baron and Baroness. If anyone has ideas, suggestions, or comments, please let me know.

Guillaume

Caerthen Minister of Arts and Sciences

From The Minister Of Children

Greetings from Lady Constance Marchet, Caerthe Minster of Children. I will be having some activities at Caerthe's 12th night for the month of January. For the month of Feburary, I will be attending Estrella War, chatting with other groups that have MOC to share ideas on activities for children.

Building Fund

The next meeting for the Building Fund will be on January 19, 2004 at the home of Eirene and Robert, the address is 16620 E. Kentucky Ave., Aurora. If you need to call for directions 720-744-9614. All members of the populace are welcome to attend.

University of Caerthe

Note that the University of Caerthe is now meeting at Mountain Keep Hall.

Tyre, Tyrus, and a Templar Stronghold. Did you ever wonder how THL Theopompus, Eques Titus, and THL Grellan could do a university of Caerthe together? Well, wonder no more. The miracle of passing time and three different personnas combine together to give you a history of this place that defied Alexander the Great, enriched the Roman Empire, and served the Knights Templar as a base of operations.

Our January University will feature a history of the city of Tyre through the Greek, Roman, and Middle ages. Theo, Titus, and Grellan will each amaze you with their historical knowledge, caustic wits, and incredible senses of humor. Come join this esoteric fun!

We will meet at 7:30 P.M., January 28, the fourth Wednesday of the month, at Mountain Keep Hall, the home of Baroness Judith de Beaumont, 1553 Fillmore Street, Denver, CO 80206. All are encouraged to attend. Period garb is optional, but appreciated. For further information, call Baroness Judith, 303-399-2971, Eques Titus, 970-490-2936, THL Grellan, 720-872-1753, or Master Robin Vinehall,

Caerthen Cooks Guild

In January, the Caerthen Cooks Guild will support the Warpractice held the day after Twelfth Night. Bring something warm and filling to share with our hungry fighters. Call Mistress Kate Holford at 303-297-2200 with any questions.

In February, we will meet early in the month and prepare travel food to send to Estrella War.

Caerthen Twelfth Night

Twelfth Night in Renaissance Venice

January 3, 2004

Though mountain snows cap the peaks to the north, hearts are warm and spirits high in Venice, as Yuletide festivities light the winter nights. Music, comedy, dancing, feasting and fun await those who would join Sir Vlad and Lady Adelaide, Vicar and Vicaress of Caerthe, in Caerthe's annual celebration of the season.

Among the activities planned are: An area for musical and other performances will be set aside all day. Please contact Lord Fergus (see below) if you are interested in performing. There will be informal card and board games, dancing, merchants, and contests for those most beautifully clad in the Italian style (with a special prize for the person/group who most closely resembles an Italian Renaissance painting), plus special activities for children. And, of course, this event will mark the installation of the next Baron and/or Baroness of Caerthe!

Merchants! Please contact Captain Fionn (see below) if you are interested in merchanting at this event!

The feast will be prepared and presented by members of The Stewpot, under the direction of Despotissa Eirene Tzimiskina Kontostephanina. Three courses will be served throughout the course of the day. The first course, which will be served around noon, will be included in the site fee for the event. The second course will be served around midafternoon, with the last course being served in the early evening.

The event will be held at the Adams County Fairgrounds, 9755 Henderson Rd. Brighton, CO 80601. The site will open at 8:00 am and close at 9:00 pm. Directions: From the north and south, take I-25 to north Denver (Northglenn) and exit east on 104th Ave. Continue on 104th to Riverdale Road, about 3.5 miles. Go north on Riverdale Road to East 126th Ave/Henderson Road (a little under 4 miles). At East 126th/Henderson Road, go east 1/2 mile to the fairgrounds entrance, which will be on your left (the north side of the road). Look for the large, domed building!

Note: This entire site is DRY, repeat, BONE DRY. Any alcohol given as gifts must be sealed and may not be consumed until you are completely off the Fairgrounds premises.

Toys for Tots VIII

Thank You!

Good and generous Caerthens,

Be it known that on Sunday, November 30th, the populace of this great Barony and from lands beyond, did gather at the Jefferson County Fairgrounds to perform a great and time honored act of compassion. Swords were drawn, trumpets were peeled and honors were given, all for the purpose of making the eyes of needful innocents sparkle and their hearts dance.

As I said at the event, it is the support our Barony gives for the Toys for Tots drive, that makes me most proud to be one of you.

Please join me in reading this list of those who made this event possible:

Trojan Horse Warning

If you receive a gift in the shape of a large wooden horse, do not download it!!! It is **extremely** destructive and will overwrite your entire city!

The "gift" is disguised as a large wooden horse about two stories tall. It tends to show up outside the city gates where it appears to be abandoned. DO NOT bring it through the gates! It contains hardware that is incompatible with Trojan programming, including a crowd of heavily armed Greek warriors that will destroy your army, sack your town, rape your women and kill your children.

If you have already received such a gift, DO NOT OPEN IT! Take it back out of the city unopened and set fire to it by the beach.

Vigil Announcement

THL Gwen Katrin von Berlin, having been offered admittance into the Order of the Laurel by Their Royal Majesties, wishes to consult with all gentles. She will be standing vigil the evening before Caerthen Twelfth Night, at which time her decision will be given to Their Majesties.

Please come advise and counsel THL Gwen on January 2, beginning at 7:30 pm and ending at Midnight, at the home of Mistress Katherine Holford, 910 Milwaukee Street, 303-322-1907.

Mistress Kate invites all those who have cooked with THL Gwen in the past to participate in her Vigil by bringing a dish to refresh those in attendance.

From The Baronial Bard

As the cold blanket of winter settles in over our fair barony, I would hope that the spirit of this magnificent season has found a home in the hearts of every one of you. No time of year inspires the soul of a bard so much as this, with the cool of the snow, the warmth of the fire, and the songs and stories of the magic that moves us through the solstice.

On January 17th, a bardic revel will be held at the home of Mistress Rowen Brithwalt. There, we hope to hear the songs and stories of the many fine bards of Caerthe, to shake off the cold inside and warm each other with our friendship and our talents. For further info and directions, contact Mistress Rowen at rowengr@hotmail.com

And soon, Caerthe and the Outlands will go to WAR!!!! I hope to see all of you gathered round the fire Saturday night, as our own Windhover Bard sponsors a bardic which will feature many fine prizes and even finer performers from around the Known World. I would also ask any artisans who would like to show their appreciation for the Bardic Arts to donate whatever gifts that they can, that the bardic community of our Barony and our Kingdom can show our generosity to the Known World!

In Service in Song,

Lord Fergus MacLennan

Directions:

Englewood Public Library: The library is on the first floor of the Englewood Civic Center. There are two multi-purpose rooms. We will normally be in the George Perrin Room in the north east corner of the library (face the reference desk, then go left and back).

From the north, take I-25 to the Santa Fe exit. Go south on Santa Fe to the Hampden exit. Follow the directions from the west.

From the west, Take Hampden Avenue (Hwy 285) east. Turn left (north) on Inca Street (just beyond the Santa Fe underpass), then take an immediate left into the Civic Center parking garage.

From the east or south, take I-25 to the Hampden Avenue (Hwy 285) exit. Turn west on Hampden and follow it several miles. Turn north (right) on Inca Street (four stoplights beyond Broadway), then take an immediate left into the Civic Center parking garage.

School of Mines: We are in the Student Center at 1600 Maple Street in Golden. We usually use Ballroom E. But once inside the Student Center, follow the SCA signs (room assignments are variable).

From the north, find your best route to highway 58 to Golden. Take the Washington Avenue exit and turn left (south) toward Golden. Turn right onto 16th Street. The Student Center is four blocks up the hill, on the right.

From the South, find your best route to Highway 6 / 6th Avenue (I-70 Exit 262). Go west past the Justice Center to 19th Street. Turn right on 19th Street, then turn left on Elm Street. Follow Elm Street until it turns to the right.

You are now on 16th Street and the Student Center is on your left.
